### A REMINDER FROM U.A. LOCAL 467

#### NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT OF 1996

Pursuant to the Newborns' and Mothers' Health Protection Act of 1996, the medical Plans in which you may enroll may not restrict benefits for any hospital length of stay for the mother or newborn child to less than 48 hours following a normal delivery or less than 96 hours following a cesarean section delivery. In accord with Federal Law, those Plans do not require that a provider obtain pre-authorization under those Plans for either of the foregoing lengths of stay. However, Federal Law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother and/or her newborn earlier than the applicable time period.

#### WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998

The Act requires that Plans which provide medical and surgical benefits for mastectomies include within covered benefits for a patient undergoing such surgery, upon request by the patient following consultation with her physician, reconstruction of the breast on which the mastectomy has been performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, a prostheses, and cover physical complications of all stages of the mastectomy, including lymphedemas.

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your State may have a premium assistance program that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment" opportunity, and you **must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or by calling toll-free 1-866-444-EBSA (3272).

If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of States is current as of July 31, 2013. You should contact your State for further information on eligibility –
