PLEASE UPDATE YOUR VOTER REGISTRATION

YOUR VOTE COUNTS!

Your voter registration record must reflect your current residence. Update your residence address by re-registering online or by submitting a paper voter registration application. Paper voter registration applications are available at your county elections office, library, Department of Motor Vehicles offices, or U.S. post office. Paper voter registration applications must be completed and postmarked or hand-delivered to your county elections office at least 15-days before an election.

If you updated your residence address at the Department of Motor Vehicles or the U.S. Postal Service, your registration will be automatically updated with your new address.
