The R_xEDO pharmacy network includes over 67,000 participating pharmacies nationwide and includes all major chain pharmacies.

Important Note: Please do not use your new card prior to 01/01/17.

In order to assist you and your pharmacist with this transition, we have included the following Helpful Hints.

- *Please communicate to the pharmacist or pharmacy technician that your plan has changed to a new prescription drug processor EFFECTIVE 01/01/17.*
- *Show them your identification card. It includes the BIN # 610220 and PCN # 03980000, as well as any other information they will need to process your claim through R_xEDO.*
- *If your pharmacy has any questions concerning the process, please have them call the pharmacy help desk (800) 522-7487 for R_xEDO, which is printed on your identification card.*

If you have any questions or need to locate a pharmacy, you may either call our Member Services Department at 1-888-879-7336 or visit our website at www.rxedo.com.

We look forward to working with U.A. Local Union No. 467 and its members!
